

A Refresher Course in Warfarin Dosing and Management

Intensive and compact course designed to provide training in one day, saving you valuable time.

Extensive Warfarin dosing practice using electronic audience interactive equipment to facilitate learning.

Courses can be CPD approved by The Royal College of Pathologists.

We organise bespoke courses for doctors, nurses and pharmacists and can bring the course to your venue.

Cost

£3000 - one day course at your venue (maximum 15 participants)
Organised under the auspices of Burton Hospitals NHS Foundation Trust

Course organiser

Dr H. N. Ahmad MB MRCP FRCPATH
Consultant Haematologist
(National finalist & Regional winner of the Health and Social Care Award for Patient Safety 2009)
